Greater Memphis IT Council to Host *Cyber Summit 2022*

MEMPHIS, TENNESSEE – April 7, 2021: The Greater Memphis IT Council will host its Cyber Summit 2022. The objective of the conference is to share Cyber Security challenges, best practice and new technology within industry today. This half-day program will bring together the Greater Memphis IT Council membership and the Memphis CISO and InfoSec community to create an educational and networking environment designed to strengthen Cyber Security in Memphis. The half-day program will close with a networking reception.

Date: Thursday, April 7th

Time: 1:00 PM until 6:00 PM

Venue: The FedEx Events Center – Shelby Farms Park

Audience: 150 C-Level attendees from the GMITC Membership and IT Community

Keynote Speakers include:

- Tony Sharp, SVP & Partner, Cyber Security, Booz-Allen-Hamilton
- Josh Jaffe, VP of Cybersecurity and Customer Operations, Dell Technologies
- Deborah Blyth, VP & Public Sector Strategist, CrowdStrike
- Jim Eckart, Executive Security Advisor, Microsoft Modern Work and Security
- Jeremy Baker, FBI Memphis, Assistant Special Agent in Charge

The Greater Memphis IT Council:

The Greater Memphis IT Council is a non-profit membership association focused on leading the evolution for Memphis into an international center of excellence for information technology (IT). As an ecosystem, the IT Council is driving economic development for the region through professional networking, education and technology training. The vision is that member organizations will be more knowledgeable and successful because of their interaction with professionals and resources that support the information technology industry in Memphis.
